

Elementary Teacher

Join us at Maple Bear - Plovdiv. We are part of the largest global private school network. We teach in Bulgarian and English, combining the best of the Bulgarian educational tradition and the Canadian learning model.

We are looking for an Elementary Teacher to inspire his or her students not only to progress academically, but also to develop emotionally and socially as global individuals.

Main Responsibilities

- Teaches the Canadian curriculum subjects
- Plans and delivers engaging, inquiry-based lessons
- Builds lasting initial knowledge and learning habits
- Creates a calm and stimulating learning environment
- Collaborates closely with Bulgarian curriculum teachers and support staff
- Monitors student progress and maintains relevant documentation and communication

We Seek Someone Who

- Holds a degree in Elementary Education
- Has native or near-native English proficiency
- Has experience teaching in an English language or bilingual school
- Understands how children aged 6–7 learn, feel and grow
- Teaches with calmness, patience and consistency
- Inspires, provokes and motivates students
- Is open to coaching and collaboration, and seeks professional growth

What we offer

- A stable, well-run school environment with clear academic vision
- Supportive leadership that understands teaching realities
- Ongoing professional development and curriculum guidance
- Optimal class size and strong classroom support
- Competitive remuneration aligned with experience and skill
- The opportunity to have deep impact at a critical stage of child development

If you are ready to inspire young and curious individuals, we would love to hear from you.
